The Settlers bank Debit Card offers additional services that give you greater versatility for managing your financial needs. You may use your Debit Card to pay for goods and services at any merchant where VISA is accepted. The purchase is deducted from your checking account. Also, this card can be used as an ATM card.

PERSONAL IDENTIFICATION NUMBER (PIN)

Upon receipt of your card, you will be required to activate your card and choose a Personal Identification Number (PIN). You are required to sign your name on the signature panel on the back of the card. You are responsible for the proper control in your use of the card and PIN. We must be notified immediately if you believe your card has been lost or stolen or if a transfer of funds has been made without your permission. For your protection you should keep your PIN secret and not write it on the card or keep it any place where it may be found with the card. Do not share your PIN with anyone or permit someone else to use your card.

VISA ACCOUNT UPDATER:

For debit card holder convenience, Visa has added a new service for participating Recurring Payment Merchants. These merchants will receive updated card information when you receive a reissued card (i.e. expired card, replacement card, etc.). This is only for merchants who maintain your card information on file to process payments you have authorized on a recurring basis such as utility companies or subscription services. To ensure these merchants have your current information to avoid any fees they may issue due to inaccurate card information it is still best to contact them when you have a card replaced.
